The Vision Care Newsletter From TotalVision

SUMMER 2009

TotalVision of Newington Relocates!

We are pleased to announce that our Newington office has relocated to 485 Willard Avenue in Newington! If you haven't already stopped by, we welcome all of our patients and their families and friends to come by for a visit.

More than double the size of our previous space, our new office features a spa-like atmosphere, a larger selection of frames, and a Kids' Corner in the waiting room for children to play. We are conveniently located just down the road from the Newington High School and we now have more parking available as well.

In addition to our beautiful office space, we have added new equipment and technology to bring you the finest care and products on the market today, including custom bifocal soft contact lenses, thinner and lighter eyeglasses, advanced treatment for dry eyes, a new diagnostic tool to test for glaucoma, and new medications, including Latisse® for enhancing eyelash growth (see *Focus On* column inside this issue).

"We are thrilled to be able to offer our patients enhanced services and a larger selection of frames in our new location," says Dr. Mitchel B. Strand, TotalVision Owner/Practitioner.

In addition to our new office space, our staff has grown in both our Newington and Uncasville offices as well! We are pleased to introduce three new staff members in Newington – Ewelina Kozilowska, a patient technician who is fluent in Polish; Rachael Dumas, our receptionist, and Whitney Boyajian, patient technician, as well as two new staff members in Uncasville – Jennifer Miller, patient technician, and Amy Beckwith, receptionist.

Additionally, Sharon Cahill joins us as practice administrator for both the Newington and Uncasville locations. She brings more than 20 years of business and customer service experience to this new position.

We sadly say goodbye to Liza Donegher, who has moved to Pennsylvania to embark on a new career, and to Magda Bucior who was recently married and is moving back to Poland. We will miss them and wish them well!

Stop in and visit our new office at 485 Willard Avenue in Newington. And remember, if you haven't scheduled your yearly eye exam; call us at 860-666-7053 for an appointment in Newington, or 860-848-8777 in Uncasville. We will be happy to schedule an appointment for you at your convenience. ■

Ewelina Kozilowska, Patient Technician
